Auction Terms and Conditions

METHOD OF PAYMENT:

Terms of sale are cash or bankable check. Personal checks and wire transfers will be accepted from first time buyers only if accompanied by a valid and irrevocable bank Letter of Credit stating a specific amount the bank will guarantee on a check or wire transfer. Bidders using Quality Auction Services online services will pay via wire transfer directly to the association, no later than end of the business day on Monday, February 6, 2023. Please register for bidding prior to the auction. Go to qasbuy.com for details and instructions. Payment must be made in full on auction day. *****If you are a first time buyer, online or in person, and do not provide a letter of credit prior to the auction as outlined above, you will not be able to bid at the auction!*****

HEALTH:

Interstate health papers will be furnished for each animal. All heifers, unless otherwise noted, are Official Calhoun Vaccinates for Brucellosis (OCV) and all bulls and heifers have been TB and Brucellosis tested and given injectable wormer. Two year old heifers are certified bred and all yearling and two year old bulls have a good semen test. All bulls have a good semen test or a guarantee

ANNOUNCEMENTS:

Announcements made on sale day will take precedence over any printed material in the catalog or any prior advertisements.

SALE ORDER:

Sale will begin with high bidding buyer's choice of the bulls. Lot number order will follow for the rest of the sale.

LIABILITIES:

DTBA act only as agents and will assume NO RESPONSIBILITY in the event of injury or death to an animal or of a discrepancy between the buyer and the consignor. The consignor bears all risk of injury or loss for each buffalo until the Auctioneer announces it is sold. Thereafter the buffalo is the property of the buyer and the buyer thereafter bears all risk of injury or loss. Every precaution will be taken to safeguard the welfare of the bison sold. The NBA, DTBA, Auctioneer and Central States Fairgrounds assume no responsibility for accidents or losses that may occur.

LOAD OUT:

A paid in full receipt will be required for load out. Please make load out arrangements when you pay for your animals at the conclusion of the auction. Load out will begin at 8 am on Sunday, February 5 and go until 3 pm. No animals will be loaded after that.

All animals must be removed from the holding site by 3 pm on Sunday unless other arrangements have been made. Contact Alex Heim (605) 770-6190

Please be aware that Health Certificates for many of the animals will expire within a few days of the Sale. Should any further testing be necessary to move your animals, the buyer will be solely responsible for costs and arrangements.

Every precaution will be taken for the welfare of the buffalo sold. The DTBA, Auctioneer and the Show and Sale Committee and workers assume NO RESPONSIBILITY for accidents or losses that may occur.

2023 DTBA Stacked Deck Consignments

ANTELOPE CREEK BISON – LOTS 4, 9, 11

The Assman's have ranched near Mission, South Dakota for four generations. The Assman ranch is operated by Scott & Kaytlen Assman and Mike & Darla Assman. The Assmans were running registered Black Angus and commercial beef cattle until 2016 when Scott started looking into the bison industry while in college. Scott and Mike were looking for something that would fit their model of sustainability better. They purchased their first animals in the fall of 2017. The Assmans wanted to focus on quality genetics and were fortunate enough to purchase our female herd from a very reputable ranch. We have focused quality genetics from the start also by purchasing several grand champion bulls at the GTSS and DTBA Young Guns. The Assman's pride themselves on the quality of their herd and improving the soil every year by practicing rotational grazing.

Scott & Kaytlen Assman :: Mike & Darla Assman, owners
Mission, SD
(605) 828-0352 :: acbison@yahoo.com

MANAGEMENT

Weaning – post weaning bulls had access to grass hay, and corn/protein pellet mix from 12/1/21 to 5/9/22.

Summer – Un-supplemented on Native Range from 5/9/21 to 9/17/22.

Feed Test – Free choice hay and corn/protein pellet mix in a large pen from 9/17/22 – 1/4/23

VACCINE PROGRAM

12/1/21 - Pyramid 5 + Presponse, ULTRABAC 7/SOMUBAC, injectable wormer and pour-on.

1/4/23 - Pyramid 5 + Presponse, ULTRABAC 7/SOMUBAC, injectable wormer and CLEAN UP pour-on.

GENETICS

#4 (ranch ID 1032) – this bull's sire is 930, "Dave", the \$18,000 - 2019 DTBA sale live judging champion. This sire has produced more high quality and structurally correct animals in our operation than any other.

Dave is also the sire to **#9** in this sale. This calf stuck out as a bull calf, with an above average weaning weight of 553. He gained 2.5 pounds/day on feed as a calf, one of the highest AVD in the herd. After coming off grass and going back on feed he had the highest AVD in the herd at 3.7 pounds/day. We brought the best to town and between this bull and his half sibling, these are the top of our entire herd.

#11 is sired by a Cammack bull from the young guns sale.

BULL GUARANTEE

Bulls sold with a guarantee that if seller has a failed semen test prior to June 1, 2023 Antelope Creek Bison will exchange the bull for a full refund of purchase price or a replacement bull.

BUFFALO DANCE BISON – LOTS 15, 102

Buffalo Dance Bison first purchased bison in 1990 and currently owns over 100 head of cows, including many purchased at GTSS. Primary herd lineage includes award-winning animals purchased at GTSS and the Black Hills Buffalo Classic. Buffalo Dance Bison has consigned animals to the GTSS for many years and has received numerous trophies, including Producer of the Year. The ranch also has competed well at the Black Hills Buffalo Classic. Buffalo Dance Ranch specializes in genetically diverse plains bison.

Casey Byrd
30356 Bison road, Presho, SD 57568
605-895-2119

MANAGEMENT

Weaning – Un-Supplemented grazing pre weaning.

Summer –

Feed Test – Grower ration from weaning to sale time consisting of free choice grass and alfalfa hays along with corn at 2lbs/hd/day.

VACCINE PROGRAM

Un-Vaccinated. Our ranches have had excellent health records through the years and we have had no need to implement a vaccination program. All animals will be dewormed before the sale. Heifers are OCV.

GENETICS

High quality genetics for power and growth, many of our animals have been purchased through the GTSS.

BULL GUARANTEE

All bulls have passed semen test. Documentation available on request

HEIFERS

These are top quality heifers ready to go to your ranch and breed. Individual weights on 1/5/23 ranged from 915-963 lbs.

2023 DTBA Stacked Deck Consignments

CAMMACK BUFFALO RANCH – LOTS 5, 12, 14

The Cammack Buffalo Ranch is operating in the 5th generation and is located in Stoneville, South Dakota. John manages the ranch with his Uncle Lane. His Dad, Mike, lives in Alaska acting as the not-so-silent partner. John and Melanie's built in work force include: Jayda 21 and Rachel 20 who are on their own but come home to help as needed. Taber is a Junior and Shanni is 7th grade. We bought our first 22 buffalo in 1999 and have slowly built our herds to 750 cows. We DNA test our herds to help us in selecting the best possible replacement heifers and breeding bulls. The Bulls go through additional performance tests so we can evaluate their feed efficiencies on 100 percent grass and then a feed test to ensure long-term production on the ranch.

John & Melanie Cammack
16800 Old Stoneville Rd. Stoneville SD, 57787
605-490-2893
www.cammackbuffaloranch.com

MANAGEMENT

Summer – Spring and summer they are run un-supplemented grass pasture.

Feed Test – Fed grass hay with DDG pellets and soy hull pellets.

VACCINE PROGRAM

October 2021 - Virashield6VL5, PresponseHM, Vision7.

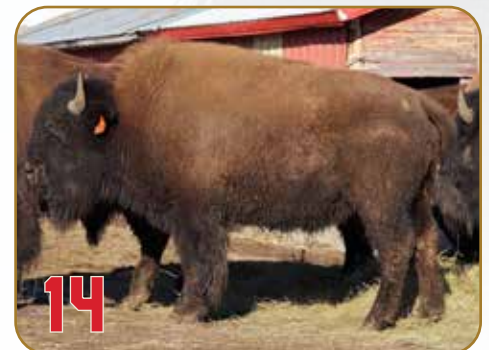

August 2022 - Virashield6VL5, PresponseHM, Vision7.

GENETICS

We DNA test our herds to help us in selecting the best possible replacement heifers and breeding bulls. The Bulls go through additional performance tests so we can evaluate their feed efficiencies on 100 percent grass and then a feed test to ensure long-term production on the ranch.

BULL GUARANTEE

Passed Semen test. Papers available on request

CRAZY ARROW RANCH & RAFTER K-BAR – LOTS 18, 101

Our buffalo are on the family ranch Rafter K Bar in Prairie City, located in northwest South Dakota. Our herd has genetics from some of the top producers in the industry including Cold Creek Buffalo Company, Red Canyon Ranch and Horse Creek Bison. We also have bought top ranking buffalo from the quality challenge, "Young Gun's and Girls Gone Wild". We have a small herd with big genetics. Our Pen of 5 Heifer calves were NBA 2021 GTSS 1st place winners (Rafter K Bar & Crazy Arrow Ranch). We have also placed in the upper 3rd of the DTBA competition programs "Young Guns & Girlz Gone Wild" for many years. All the buffalo are raised on a rotational grass program in the Summer, quality hay in the Winter, with food mineral supplement, cake to manage the herd and annual vaccinations.

Larry and Renee Carr are good stewards of the Rafter K Bar ranch land, animals and our buffalo.

We are proud to be part of the DTBA/NBA community, to continue to improve our buffalo herd, and supply quality animals for you.

Glen and Becky Carr

16184 Hwy 20. Prairie City SD 57649

720-849-5757

MANAGEMENT

Weaning – Calves weighed and vaccinated and then turned back out with the herd.

Summer – Yearlings turned out grazing with the breeding herd year round. Rotationally grazed with no supplementation through the summer. Supplemented with hay and range cake as needed during winter.

Winter – Since Late November sale animals have been held separate and fed free choice prairie hay and buffalo grow pellets.

Feed Test –

VACCINE PROGRAM

11/26/2021 – Mycoplasma (Hettinger), Dectomax Injectable, Vision 7, Pyramid 5

11/23/2022 – Mycoplasma (Hettinger), Dectomax Injectable, Vision 7, Pyramid 5

01/19/2023 – Mycoplasma (Hettinger), 7way/Somnus, Pasteurella, Wormer

GENETICS

Bull 18 is out of DTBA Girlz Gone Wild #1 heifer from Laughing Water Ranch and DTBA Young Guns bull from Cold Creek Buffalo Company. Heifers from similar top quality genetics.

BULL GUARANTEE

Semen Tested (weather dependent). If not seller will guarantee the bull will pass a breeding soundness exam performed by buyer prior to June 1, 2023. If bull fails the seller will take back the bull and refund the purchase price.

HEIFERS

We have strived to improve the quality herd of our by using top quality genetics. As a result our females have competed well at many contests through the years. These 5 yearling heifers are the result of our dedication to herd quality. Our growth and performance come straight from the prairie these heifers are raised alongside and expected to perform on the same groceries as the cow herd.

2023 DTBA Stacked Deck Consignments

CUSTER STATE PARK -LOTS 3, 17, 104

Custer State Park has a 107-year history, beginning in 1914, of producing high quality buffalo. We are proud to have the longest running annual production auction of buffalo in the world. Custer State Park buffalo have been the foundation of countless herds across North America since that first auction in February of 1966. The foundation of the herd is from the Scotty Philip/Fred Dupree herd with genetic additions from Niobrara Game Refuge (1930's), Pine Ridge Tribal herd (1945), and Wind Cave National Park (1950's). The herd is naturally raised like they have been for centuries. They are not supplemental fed except for access to hay for the 4 days while in the corral during the annual roundup. A custom mineral formulation is provided free choice year-round. Our Young Guns bull entries have earned 3rd place in 2009 & 2011 and 4th place in 2018. Our Girlz Gone Wild 2 year bred heifer entry earned 5th place in 2017 and our Girlz Going Wild yearling heifer earned 5th place in 2018. The Park is proud to be toted as "The birthplace of the modern buffalo industry" and for providing buffalo and buffalo meat to the business for over 100 years!

Chad Kremer, Bison Herd Manager

Jason Gooder, Resource Program Manager

13329 US HWY 16A, Custer, SD 57730

605-255-4515 :: (605) 770-6190

MANAGEMENT

Weaning – Animals tagged and vaccinated then turned back out with the herd.

Summer – Run year-round on native grass with free choice custom mineral.

Fall/Winter – Sale Animals gathered out of the herd January 2023.

Feed Test –

VACCINE PROGRAM

10/15/21 – Pyramid 5+ Presponse, Vision 7 20/20, dectomax inj.

1/12/21 - Mycoplasma, ViraShield 6 VL5HB +Somnus, Presponse Pinkeye, Dectomax Inj.

GENETICS

These bison are right off of the winter prairie and have not received a feed test like the previous year's Young Gun entries. They are in their everyday working clothes! They will go home with you and continue to gain and grow as they have for decades. Our bulls have done well on the previous feed trails throughout the years in the Young Gun Challenge. No fluff... all buff!!

BULL GUARANTEE

Semen Tested (If weather allows). If Semen test is unavailable buyer may choose to have a semen test before July 1, 2023 and if a bull fails Custer will exchange the animal the following fall (2023).

HEIFERS

The 2 sale heifers were gathered out of the park early in January. They are completely unsupplemented and in their everyday working clothes! They will go home with you and continue to gain and grow as they have for decades.

HEARTLAND BISON – LOTS 6, 16, 19

Heartland Bison was established in 1996 when LeeAllen and Rebecca bought their first 10 bison cows. Today, the ranch is home to 300 bison cows that are broken into 4 different breeding groups. The foundation of the herds stem from M-line, Custer, Slim Buttes and Sheyenne River Bison genetics. Over the last 9 years we have slowly transitioned our bull power over to a number of Young Guns Bulls and GTSS Bulls from top ranches across North America. With thorough record keeping and culling processes in place, we continue to see improvements every year on the overall performance of our herds as they show on both grass and feed finishing programs.

LeeAllen and Rebecca Leier / Kevin and Anne Leier
4525 Hwy 3 South Rugby, ND 58368
701-208-0440
www.heartlandbison.com

MANAGEMENT

Weaning – weaned in February onto grass and millet hay and free choice mineral block.

Summer – Rotationally grazed un-supplemented from 5/21 to 8/29

Feed Test – This is the only grain these bulls have ever had. 120days on 14% protein pellet free choice out of a self feeder along with prairie hay..

VACCINE PROGRAM

2/21/22 – Virasheild 6, 7way with Somuvac, Dectomax injectable.

5/21/22 - Virasheild 6, 7way with Somuvac, Dectomax injectable.

8/29/22 - Virasheild 6, 7way with Somuvac, Dectomax injectable.

1/4/23 - Pyramid 5, Mycoplasma, Dectomax injectable

GENETICS

Talk about a winning hand; Three of a kind. Powerful genetics all sired by a proven performer.

Lot # 6 is a top breeding bull prospect from our ranch. He is the FULL BLOODED BROTHER to the 2022 DTBA Young Guns winner from our ranch. He is every bit as good as his brother from last year.

Sire: Kings of Hearts (2nd Place Young Guns Bull from Bison Spirit Ranch)

Dam: 001white (Girls Gone Wild Heifer from Slim Buttes Buffalo Ranch)

Lot #16 is an excellent balanced bull coming from a home grown cow and King of Hearts.

Sire: Kings of Hearts (2nd Place Young Guns Bull from Bison Spirit Ranch)

Dam: Heartland Bison Cow

Lot #19 is the top grass gaining bull from our bull test.

Sire: Kings of Hearts (2nd Place Young Guns Bull from Bison Spirit Ranch)

Dam: Heartland Bison Cow

BULL GUARANTEE

Sold with a breeding guarantee. If any of these bulls fail a veterinarian certified semen test before June 1, 2023 buyer can return bull and choose between a replacement bull of similar quality or a full refund of purchase price.

2023 DTBA Stacked Deck Consignments

HEIM LAND AND BISON – LOTS 2, 7, 13, 103

Heim Land & Bison is owned and operated by Alex and Cassie Heim, just outside of Wood, SD. They have 3 young boys, Luke (8), Kingston (3.5), Blaise (1.5), who keep things upbeat daily! Thunder Creek runs through the heart of the ranch making it a bison paradise. Heims continue to add new powerful genetics to their herd each year to continue the genetic improvement of their animals. They have purchased bulls and females from the GTSS and the DTBA performance tested classes. Heims are strong believers in performance tested animals and have enjoyed participating for the past few years. Along with their 850 bison cow operation, they also operate two bison feed yards and know firsthand the importance of quality genetics. For more information feel free to contact Alex anytime. God Bless America!

Alex & Cassie Heim
26727 266th St Wood, S.D. 57580
605-770-6190

MANAGEMENT

Weaning – No creep feed prior to weaning. After weaning Fed high protein grower ration from 12/7/21 – 6/2/23

Summer – No supplemental feed during summer grazing from 6/2/22 to 9/9/22

Feed Test – Free choice 53Mcal TMR available while bulls grazed in 200ac pasture from 9/9/22 to 12/31/22

VACCINE PROGRAM

Current on all vaccinations and wormed.

GENETICS

Ranch has been working for many years to continually add powerful genetics

BULL GUARANTEE

All sale bulls have passed semen test results available to buyers upon request

HEIFERS

These 5 bred heifers are sure to be some calf raisers that someone could enjoy starting a herd with or adding some nice genetics to their existing herd. These heifers were picked from a large group of bred heifers that were developed and bred on grass. They have had range cake and supplemental feeding since early November to aid with growth and development to ensure good body condition coming through winter and calving in the spring of 2023! They are bred to quality bulls that come from the Heim bull battery. The heifers were ultrasound tested on October 4th to confirm pregnancy and ensure that they will be all early calving heifers. These heifers average weight on December 31, 2022 was 1143 lbs. Individual weights are: 1152, 1152, 1146, 1144, 1125.

TATANKA HILLS – LOTS 1, 10

Tatanka Hills was established in 1988 in Northeast South Dakota by Kevin & Joan Stormo. This award-winning herd has produced several GTSS and DTBA award winning bulls & heifers over the years. Now joined by their son, Jason, and his family, Tatanka Hills continues to be a family-owned farm and ranch operation.

Summer – Wet spring, dry / windy summer. Fresh, clean water and free choice hay / creep feed always available.
Fall/Winter – Creep feeding a mix of cracked corn, distillers, soy hull pellets, easy glow and minerals. feeder along with prairie hay.
Feed Test -

VACCINE PROGRAM

2/5/22 - Newport Laboratories Mycoplasma Bovis, Ultrabac 7, Triangle 4, Ivermectin
 2/26/22 (Boosters) - Newport Laboratories Mycoplasma Bovis, Ultrabac 7.
 12/30/22 - Newport Laboratories Mycoplasma Bovis, Noromectin.

GENETICS

Cows exposed to both Cornhusker & Silver Creek Bulls.

BULL GUARANTEE

Tatanka Hills guarantees fertility of the purchased bull by providing the buyer with a fertility test result from a licensed veterinarian. If results are NOT available, then the following conditions must be met:

- 1) Bull must be tested by a licensed veterinarian before June 1, 2023 at buyers expense. If the bull fails, Tatanka Hills must be notified immediately and a second test will be arranged using a mutually agreed upon veterinarian before July 1, 2023. Copies of all tests will be provided to Tatanka Hills
- 2) At their discretion, Tatanka Hills may require photo or DNA evidence from a mutually agreed upon independent veterinarian to verify bulls identity
- 3) The follow up testing and DNA testing (If necessary) will be paid for by Tatanka Hills.
- 4) If these steps are followed and the bull is determined to be unsuitable for breeding purposes a full refund will be given upon return of the bull to Tatanka Hills. Transportation will be worked out between buyer and seller.
- 5) If buyer chooses not to fulfill the above conditions, Tatanka Hills is not liable and no refund will be given.

2023 DTBA Stacked Deck Consignments

TRAILS END RIVER BISON – LOT 8

Trails End River Bison first purchased bison in 1976. Its primary herd lineage is from some GTSS animals but mostly home-raised. The Byrds have been consignors to the GTSS every year since 1986, making 2023 the 38th consecutive show! Since 1990, they have won 158 Gold trophies and eight Producer of the Year awards. They have several GTSS-purchased animals in their herd. Trails End River Bison also has shown and placed at the Black Hills Buffalo Classic, including winning its Producer of the Year Award. Some of our animals are registered/certified with the North American Bison Registry. Specializing in genetically diverse plains bison, multiple herds for multiple decades.
