

Amanda Fischer lives in Bismarck, North Dakota, and wears a few hats — all of them well. She works full time for the State of North Dakota in the Child Protective Services Intake Unit, owns Fischer Clerking, LLC, and stays hands-on in her family's bison operation, Fischer's Bar 33 located in Selfridge, ND.

Amanda has been around the bison business for years and understands it from the ground up. She's been clerking bison sales since 2017, starting with her family's annual auction and expanding into online sales in 2023. Her experience as an auction clerk has given her a strong understanding of what makes a sale run smoothly and what matters most to producers and buyers.

She is an active member of the Denver National Western Stock Show, the Oklahoma Bison Association, and the National Bison Association, and has been a proud member of the Dakota Territory Bison Association since 2023. Amanda is excited to give back to the association and looks forward to serving the membership with dedication, practical experience, and a genuine passion for the bison industry.
